Welcome to this the first newsletter of Minehead Spiritualist Church, our little Temple of Love and Light in a quiet corner of Minehead.

We aim to issue a newsletter on a regular basis that will keep you informed of up and coming events, ongoing improvements to the building, also to give you the chance to ask questions and put forward your ideas.

Any contributions towards forthcoming editions of the newsletter are welcomed, and should be handed to either Lynda or Paul Fleet. Remember, it is up to all of us to keep our lovely little church open and filled with love.

Changes

As you may have noticed in recent months, the church has a new fitted carpet, seats have been

extended for more comfort and new, thicker cushions have begun to appear. A number of less visible maintenance activities have taken place that will help to ensure the longevity of the building. Our next edition will include details of recent work carried out on the rostrum area, with some interesting results.

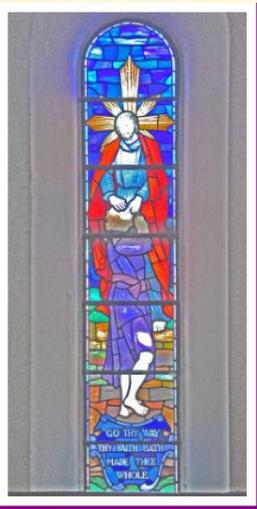

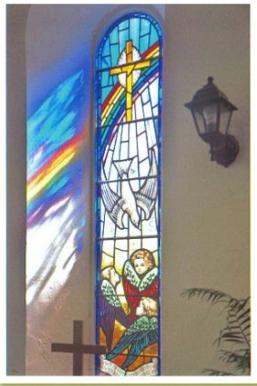

Kitchen Renovation

The next project that the Trustees intend to tackle is to relocate the kitchen to the opposite side of the church, and to open out the present kitchen area to provide much needed space for a range of activities. Also this will offer more seating space which is much needed as the attendance number continue to rise. This is an expensive undertaking but if we all pull together, we can achieve it. Fundraising for this has already begun by Tony arranging readings in the church once a month on Saturday mornings, with all monies collected being donated for this cause. Tony and Steven were given a donation for healing work they have recently undertaken and this money has also been put towards the kitchen fund.

To give a further boost to the kitchen fund, a Mind, Body and Spirit day has been arranged at Townsend House, Minehead on Saturday 23rd July. Further details will be given nearer the time. Anyone that can offer some help on the day is very welcome; please see Steven to add your name to the volunteer list. Even if you can only offer one or two hours this will be very much appreciated but any support that you can give, even just by coming along on the day will help.

If you have any books that you no longer want and would like to donate these for sale at the above event, please see Tony or Steven
