Welcome back to another newsletter of our little refuge of enlightenment in a quiet corner of Minehead. Our newsletters are here to keep you all informed of up and coming events and improvements in the Church. Any comments, ideas, contributions you have regarding the newsletter are most welcome. These should be handed to Lynda, Paul, Tony, Steve or Colin

The carol service on the 18th of December 2011 - was very well attended. Music was provided by Jackie on the keyboard and Nigel on guitar.

A very traditional Christmas service with mediumship by Joy and Roger Woods.

Readings from the Bible by: Carmela, Dawn, Derek and John.

What a lovely way to start Christmas.

If you have any questions or ideas for the Church or events, please contact Tony or Colin.

## Readers Corner

From Precious Moments, prayers for children.

### When I'm afraid

Please help me not be afraid, God. When I go to bed at night, it's so dark. Everything looks different from the way it did during the day. My window looks scary with the street light shining through. Dark shadows are all over my room and everything is so quiet. It's like I'm the only one here. I know you're always with me, God, so I don't have anything to be afraid of. But when it's dark and quiet, I get scared anyway. Please help me remember that you're always right here, God, even on the darkest nights.

Thank you. Amen

This can be applied to all of us in one way or another, can't it?

**SUNDAY SERVICES WILL REVERT TO 6.30PM FROM 4<sup>TH</sup> MARCH**

## Thank You

Thea Holly has been an active member of the church for many years and has run the Tuesday closed circle group tirelessly. Unfortunately Thea is no longer continuing with this circle and the Church Trustees would like to thank her for all the hard work and time she has given to the Church. I am sure we would all like to add our thanks and good wishes to this.

## CHURCH WEBSITE

We are delighted to announce that the church now has a website. This project actually started last autumn, (2011), and has now, just been recently launched on the internet for all to see.

Although there is still some more work to be done on the site, please take a look and add the web address to your favourites list.

May we give huge thanks to Bob Orpin who has donated his time, skills and knowledge in building and developing the website for the church?
